Job Posting:
Assistant-in-Training

Bidermann Golf Course
PO Box 3501
Wilmington, Delaware 19807

Located just northwest of the city of Wilmington, is a small, full service 18-hole private golf club offering Vicmead Hunt Club members and their guests the most unique experience in the Philadelphia Region.

Vicmead Hunt Club opened in 1924 and Bidermann Golf Club opened on July 4, 1965. In 1977, Vicmead Hunt Club and Bidermann Golf Club merged and continue today as one Club. The Bidermann property is home to the Dick Wilson designed 18-hole golf course that features a traditional layout, but could be described as a “meadowland” course styled after the great courses of the United Kingdom with native grasses separating the golf course landscape.

The Club is centrally located in the mid-Atlantic region and is within an easy two hour drive to Philadelphia, New York City, Baltimore or Washington, D.C.

Requirements: Two or four-year degree or certificate in Turfgrass Management or related field with a minimum of one completed work experience internship. 2015 spring graduates will be strongly considered.

The Grounds Program at Bidermann has a proven track record of successfully preparing the team member to attain one’s career goals. The Assistant-in-Training will work collectively with management to assist with staff organization; irrigation detection and monitoring; applications relating to fertilization and plant protection products. The Assistant-in-Training must have or obtain valid Delaware pesticide applicators and nutrient management credentials.

The Assistant-in-Training will gain a diverse regimen maintaining both cool-season and warm-season turf species. Capital projects include practice facility renovations, fairway bunker restoration and teeing ground leveling.

The successful candidate will work within a team environment, love the game of golf, passion and willingness to work and to succeed in an exciting environment that is in-keeping with the Club’s core values.

Salary Range and Benefits: $34,500 annually. Health & Dental Insurance, Life & Long Term Disability Insurance, Retirement Plan {401k, after one year of employment}, vacation days (5), Paid holidays (10), sick and personal time, uniforms, lunch, golf privileges, dues for local and national associations, local and regional seminars.
