

Castine Golf Club on the coast of Maine is looking to hire an enthusiastic, innovative and hard working Golf Superintendent for its nine-hole course for the 2018 season.

The club, which was founded in 1897 and redesigned in 1921, is located in a beautiful, small coastal town and has a vibrant golf program with many tournaments and social events during its season from early June to late September. Castine Golf Club is a fully certified participant in Audubon International's Cooperative Sanctuary Program for Golf Courses. It is the final course design by Willie Park Jr., who also designed Maidstone Golf Club (NY) and the Old Course at Sunningdale Golf Club (UK).

The ideal candidate will work with the Greens Chair and Head Golf Professional/Club Manager to continue building on success and momentum from recent years in order to provide optimized playing conditions for this intimate, thriving golfing community of all ages. This is also a great opportunity to build professional credentials and have a unique summer experience on the coast of Maine.

DUTIES (include but are not limited to):

Maintain nine hole course, practice area, and practice green. Manage seasonal budget for course maintenance. Hire and supervise 2 full-time employees and 1 part-time employee. Deploy and apply all fertilizers and pesticides as needed – this requires proper licensing with the state of Maine, as well as providing proper reporting and documentation to the state of Maine and the town of Castine. Monitor and record all details related to maintenance of grounds equipment and storage shed. Oversee and maintain irrigation system and water pump. Attend bi-weekly meetings with Head Golf Professional/Club Manager.

START DATE:

Typically the position runs from July 1st to October 30th - but we have the ability to be flexible with the right candidate.

COMPENSATION:

The salary range is commensurate with experience. The club also provides free housing in an apartment in the main clubhouse.
