

THE CAMARGO CLUB

8605 SHAWNEE RUN ROAD
CINCINNATI, OHIO 45243

Internship Opportunity

- Established:** 1925
- Architect:** Seth Raynor, highly respected architect of the 1920's
- Membership:** Private, ~12,000 rounds annually
- Holes:** 18 Holes, plus a new Driving Range, Indoor Golf Facility, and Short Game area. Course yardage is 6,750 and it plays to a par of 70. The Camargo Club is a Top 100 ranked course both nationally and internationally.
- Maintenance Goals:** Our goal is to provide the members of Camargo with a golf course that is both a pleasure and a challenge to play every day. We have very high standards and strive to offer the best conditioned course on a daily basis. Our greens will be firm and quick through proper hand watering, mowing, rolling and a sound, proactive IPM program.
- Job Description:** All interns will be taught how to calibrate and apply both liquid and granular fertilizers and pesticides, as well as proper record keeping. Interns will learn proper moisture management and its impact upon an IPM program. Additionally, interns will lead small crews and learn how to maintain and repair irrigation systems.
- Compensation:** \$13.00/hr. plus overtime pay, golf on Mondays and uniforms. Housing arrangements will be provided if needed.
- Respond to:** Assistant Superintendent: Josh Clock
