

TEMPORARY FULL-TIME EMPLOYMENT

The New Jersey Department of Agriculture, Division of Plant Industry is seeking temporary employees to assist in field survey work.

The work involves driving to work sites in northwestern NJ visually inspecting for Spotted Lanternfly.

Applicants with a background in entomology, horticulture, forestry or related fields are preferred. Outdoor work experience is also preferred.

Pay is \$15 per hour and work is 40 hours per week. Job is temporary (6 months). Applicant must have a valid drivers' license and vehicle for the job. Driving is reimbursed at \$0.31 per mile. Must be 18 or older.
