

Essex Fells Country Club

219 Devon Road
Essex Fells, New Jersey 07021

Essex Fells Country Club is currently searching for dedicated individuals eager to learn and improve their skills in golf course management. Applicants should be enthusiastic, professional, able to problem solve, and have the desire to become a leader.

Students that are interested in gaining a wide array of experience and advancing their careers are encouraged to apply. This internship is not your typical “Mow and String Trim” position. We have a strong desire to teach individuals and want interns to be qualified to take that next step as an assistant superintendent.

Requirements:

- Currently pursuing an A.S. or B.S. in Turfgrass Management or a closely related field

Experience gained will include:

- Working with the Superintendent and Assistants to prepare daily maintenance activities during morning meetings and then implementing those activities on the course
- Learning how to safely and properly spray all playing surfaces
- Daily course setup and the attention to detail necessary to meet member expectations
- Proper water management including hand watering of Greens, Tees, and Fairways
- Attending/participating in Greens Committee meetings

Benefits:

- \$12-14/hr
- Housing
- Meals
- Golf Privileges
- Uniforms
