The Golf Course at Glen Mills
Green Department paid Internship Program

Three-month Intern Job Description

With the years of education and tournament experience obtained by our staff, the intern should be able to gain the knowledge needed to succeed in every aspect of the business. The staff will work hands-on with the intern to ensure that you will be successful here at Glen Mills. As an intern you can expect professional exposure in the following aspects of turf management:

* Chemical/fertilizer application.
* Integrated pest management.
* Irrigation repair & technology.
* Proper watering techniques.
* Golf course maintenance practices.
* Supervision of entry level maintenance workers.

Compensation

* $10/hour + overtime hours when needed.
* On campus staff housing available.
* Golfing privileges.
* Meals included 7-days a week.

Our Staff

John Vogts-Head Golf Course Superintendent.
