355 Darst Field Road, Luling, Texas 78468

(830) 875-5114

## **Multiple Turfgrass Internship Opportunities**

**Job Description:** *Luling Sport summary:* A once in a lifetime opportunity exists for an ambitious turf student to gain valuable experience in the construction, grow-in, and maintenance operations of a Kyle Franz design in Luling, Texas. The site is unique with an extensive network of ravines that run throughout the 1,100+ acres, surrounded by a working cattle ranch. Franz is recognized for creating innovative and highly acclaimed golf experiences. The project is deemed to blend design influence from Golden Age architecture with the Texas Hill Country landscape to provide firm, fast and elite conditioning. Membership will be local and national. It is expected to be an invitation-only membership with less than 10,000 rounds annually with no cart rounds. The vision is to create an everyday golf experience reflective of the finest in the United States catering to amateur golf.

**Job summary:** The internship is an incredible opportunity for a driven, hard-working individual who is looking to advance their education and experience. This internship will offer exposure to all aspects of golf course maintenance and construction.

### **Your internship will include:**

- *Equipment operation*
- *Golf course construction*
- *Pesticide calibration and application*
- *Fertility program*
- *Weed Identification and eradication*
- *Record keeping*
- *Water management*
- *Course set up*
- *Precision air troubleshooting and maintenance*
- *Irrigation setup and repairs*
- *Potential tournament volunteer opportunities*

**Salary:** Starting at \$16.00 per hour

**Duration of internship:** 3, 6, and 12-month internships are available

**Benefits:** Housing is available, uniform, and golfing privileges

### **Application process:**

Please send resume and cover letters to:
