Capilano Golf and Country Club Turfgrass Internship

Position Overview:

Capilano Golf and Country Club is currently welcoming applications for the 2024 Turfgrass Internship program. Interns are key members of the Capilano Course and Grounds team and have the opportunity to work closely with and learn from the Course Superintendent and Assistant Superintendents in all aspects of the golf course maintenance operation.

Capilano Golf and Country Club is a private 18-hole facility established in 1938 with esteemed Canadian golf course architect Stanley Thompson and continually ranked in the top 10 golf courses in Canada. Located in West Vancouver, BC the course is surrounded by and has excellent access to the North shore Mountain Range and located only 20 minutes from downtown Vancouver. The club is committed to continually restoring and improving the golf course, as part of a Course Long Range Master Plan that has been in place for several years, having recently finished a major renovation of the Pro Shop, 1st tee, putting green and 18th green complex.

Wage and Schedule

- \$25.00 per hour
- *5 Days on 2 Days off per week and 5 vacation days to enjoy the Vancouver and West Coast lifestyle!*
- 40 hours per week plus available overtime
- Seasonal full-time position with flexible start and end dates facilitating school schedules. 6-month internships available

Additional Benefits

- Association memberships for the BCGSA and CGSA
- Select conferences as mutually arranged.
- Golf privileges - *Free access to play one of Canada's premier golf courses!*
- Discounts on golf apparel and food
- Extended health and benefits package
- Our team appreciation (including monthly team events, BBQ's, golf competitions, and work environment) are second to none.

Internship Program Itinerary

The internship program will be tailored to the experience level of the successful candidate(s). Interns at Capilano will have the opportunity to:

- Conduct fertilizer & chemical applications, including calibration and record-keeping processes.
- Perform irrigation audits, repairs, nightly scheduling, and hand watering.
- Schedule and perform cultural practices.
- Manage data collection on a daily basis.
- Take part in supplier and industry consultant coordination sessions.
- Attend industry events and conferences.
- Gain supervisory experience through leading occasional morning meetings and daily maintenance.
- Opportunities for in season 1 on 1 meetings with the Golf Course Superintendent and Assistant Superintendents
- As time allows, assist the on-staff Horticulturist and Arborist in their duties managing 4 acres of garden beds / horticultural areas and approximately 20,000 trees respectively.

Qualifications

- Current enrollment in a recognized landscape, turfgrass or golf management program
- Non-graduating students that are returning to their programs upon finishing the internship

All resumes and cover letters should be e-mailed in a reply to this posting to:

Nick Daley | Senior Assistant Superintendent
