

# Assistant Superintendent

# **Club Overview**

The Springhaven Club, founded in 1896, is an 18-hole private facility in suburban Philadelphia. The club sits on 110 acres and hosts an average of 25,000 rounds. Membership is strong, active, and very invested in their club. The golf course recently came off a two-year renovation which included the redesign of all bunkers, including capillary concrete, several significant green expansions, additional tee complexes, as well as some fairways expansions. Phase 1 of our driving range project was recently completed, with commencement of Phase 2 to be determined. A new irrigation system is in the design phase and is planned within the next 2-4 years. A Drainage Master Plan was recently submitted to the Club with phasing and implementation being considered.

#### **Position Overview**

The Assistant Superintendent will work directly with the Superintendent and Lead Assistant regarding daily operations, staff management, water management, disease/pest scouting and spray applications, irrigation repair/scheduling, project planning/implementation, and inventory management. It is expected that the Assistant Superintendent be self-motivated, lead by example, and possess the drive and dedication that is necessary to advance in the industry.

April-October	Ave. 45-60 hours/week	Work every other weekend
November-March	Ave. 35-45 hours/week	Work every third weekend
<b>**Our goal is to work towards every third weekend year-round, barring special events**</b>
